## THE FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge before God  
and in the presence of this assembly:

To pass my life in purity and to practice my profession  
faithfully.

I will abstain from whatever is deleterious and mischievous,  
and will not take or knowingly administer any harmful  
drug.

I will do all in my power to maintain and elevate the standard  
of my profession, and will hold in confidence all personal  
matters committed to my keeping and all family affairs  
coming to my knowledge in the practice of my profession.

With loyalty will I endeavor to aid the physcian in his work,  
and devote myself to the welfare of those committed to  
my care.

### A Nurse's prayer

Because the day that stretches out for me  
Is full of busy hours, I come to Thee  
To adk Thee, Lord, that Thou wilt see me through  
The many things that I may have to do.  
Help me to make my beds the smoothest way.  
Help me make more tempting every tray.  
Halp me to sense when pain must have relief.  
Help me to deal with those borne down to grief.  
The Light of Life to brighten up the gloom.  
Help me to bring to every soul in fear  
The sure and steadfast thought that Thou art near.  
And if today, or if tonight, maybe,  
Some patient in my care set out to sea  
To face the great adventure we call death,  
Sustain them, Father, in their parting breath.  
Help me to live throughout this life-long day  
As ones who loves Thee will, dear Lord, I pray;  
And when the day is done, and evening stars shine  
Through the dark above the sunset bars.  
When, quite weary, I turn to seek my rest,  
Lord, may I truely kdow I've done my best.
